ABOUT US

Calinox was founded in 2020, specializing in processing stainless steel to manufacture high-quality kitchen components like sinks, steam tables, and commercial hoods.

As our business expanded, we began manufacturing and selling premium food trailers for the domestic market and for export to the United States and Canada.

COMMITMENT

We're committed to fully satisfying our clients. Every product and service we offer meets the highest international quality standards and is backed by our dedication to continuous innovation

SATISFACTION

At Calinox, we know that great service is key to customer satisfaction. That's why we work hard every day to exceed your expectations in both sales and after-sales support. We keep our communication channels open to help our clients grow.

WHAT IS NFS CERTIFICATION?

When you choose our equipment, you're investing in NFS-certified quality. This rigorous standard ensures that our food trailers meet the highest standards of safety, hygiene, and performance, as they are specifically designed for the U.S. food industry.

YOUR DREAM, YOUR BUSINESS

We know you want to get started now. That's why our turnaround time is only 3 to 4 weeks after signing the contract. Throughout the process, we'll keep you updated on every step, so you can see your dream becoming a reality.
YOUR BUSINESS STARTS WITH US

SUPPORT WITH PROCEDURES

With Calinox, we support you with home delivery, from customs clearance to transportation logistics, so you don't have to wait at home for your Food Trailer to be delivered.
